

Local Love Making a Difference

United Way Leeds & Grenville funded agencies helped **26,500** clients last year. Together 50 United Way Leaders* donated over \$125,000.

Thank you to all our Leadership donors for your generous support.

Leadership Challenge Grant

This year, a generous donor, in our community, has stepped forward to provide a Leadership Challenge Grant opportunity to encourage the increase of Leadership gift giving.

New Leadership Donors

Consider becoming a new Leadership donor to **Double the Impact** of your generous gift.

- A first-time donation of \$1,200 or more, to the United Way Leeds & Grenville, will be matched to a maximum amount.
- Increase your gift to \$1,200, this year, and your gift will be matched dollar for dollar.

Renewing Leadership Donors

If you are already a Leadership donor and are considering a donation increase, of at least 10%, the Leadership Challenge Grant will match the full amount of your donation – **Double the Impact!** (up to a maximum amount).
